**KOMPERDELL**

**RACECAMP** **4** **KIDS**  
WITH HENRIK KRISTOFFERSEN

With the first edition of the „**Komperdell Racecamp 4 Kids**“ in **Reiteralmschlading** we would like to give children/teenagers between 8-14 years the chance to experience an unforgettable skiing day!

Between **29<sup>th</sup> to 31<sup>st</sup> March 2019** 100 kids with enthusiasm for winter sports have the opportunity to learn from our best Komperdell athletes like Henrik Kristoffersen, Anna Veith, Eva-Maria Brem, Cornelia Hütter, Hannes Reichelt, Thomas Dreßen and many more! After a training day including video analysis and instructions of the athletes, the kids can feel like real stars on the race day. Fun factor is guaranteed.

There are many more highlights due to a varied supporting program: Interviews with our skiing stars, autograph sessions, interesting workshops (e.g. ski waxing), dry run/strength training like the stars, perfect preparation for a race day and many more.

We would like to animate children with experience in racing because we want to offer a high-quality and specific training for them.

Are you motivated? Do you already have racing experience? Would you like to be part of the Komperdell racing family? Then take the unique opportunity and apply at **[www.komperdell.com](http://www.komperdell.com)**
